The scholarship monies will be placed in a trust fund and expenditure will be managed, monitored and approved by the Principal or delegate. It is envisaged that each scholarship will be used to expand opportunities for the student to further develop academically and/or socially in order to reach future goals and continual enrolment at Marsden High School.

Items that the scholarship monies could be spent on include: a computer, software, excursions, camps, books, tutoring or other resources to assist with learning. Please note that the funds are not intended to be used for uniforms or stationery.
