HORIZON PROGRAM

marsden high school

2021

HORIZON PROGRAM

HORIZON PROGRAM

APPLICATIONS CLOSE FRIDAY 16 OCTOBER 2020

Horizon is Marsden's talent development program for academically high performing students in years 9 and 10, following on from the successful **Pinnacle** program in years 7 and 8. The Horizon program aims to stimulate higher order learning by exploring contemporary, relevant issues within a multi-disciplinary framework, across the subjects of English, Science, HSIE and PDHPE.

Students will experience an innovative approach to learning instruction that focuses on key skills for success on the modern world know as the five C's:

- Collaboration
- Creative thinking
- Critical thinking
- Communication
- Citizenship skills

Teachers deliver the curriculum at a level, pace, degree of abstraction and complexity beyond learning expectation for their age peers. Students follow the same curriculum as their year level, with tasks that demand higher order thinking skills, and will be expected to produce work of exceptional depth and complexity.

APPLICATIONS ARE NOW OPEN.

The components of the application process include an application form to be completed by the student and a parent, teacher references, student portfolio and an interview.

Students who wish to apply for the Horizon program should see Ms van der Kley for more details.

Further information can also be found on the Marsden web site:

www.marsden-h.schools.nsw.gov.au
