Northern Territory Excursion

The HSIE Faculty at Marsden High School invites expressions of interest from 2021 Year 9 and 10 students interested in attending an **Overnight Excursion** to **Northern Territory.**

Proposed sites to be visited include Alice Springs (including the Royal Flying Doctor Service and MacDonnell Ranges), Kings Canyon and Uluru.

The excursion will run from Tuesday 30 March until Tuesday 6th April.

The cost for transport, accommodation, entry to attractions, all meals and travel insurance is approximately $2550.

The purpose of the overnight excursion is to enrich and extend the learning of your child, in a unique historical setting.

Final placements will be at the Principal's discretion. Placements will also be dependent on the student having demonstrated capacity to uphold the CARE values of Marsden High School.

The completed Expression of Interest form should be returned to Miss Van Der Kley in the HSIE Staffroom no later than Friday 23 October, 2020.

There is a **$500 non-refundable deposit** to be paid upon confirmation.
